His Excellency
João Manuel Gonçalves Lourenço
President of the Republic of Angola
LUANDA
Republic of Angola

Your Excellency,

It gives me great pleasure to convey to Your Excellency João Manuel Gonçalves Lourenço and the people of Angola, my warmest and most sincere congratulations on your re-election as the President of the Republic of Angola.

Indeed, I express my sincere wishes to Your Excellency for greater success in this term of office for which the people of Angola have renewed your mandate with an overwhelming and conclusive landslide victory.

I am further delighted that the elections were conducted in a tranquil atmosphere, wherein the people of Angola exercised their right of electing a government of their choice.

In this regard, Your Excellency's decisive electoral triumph is not only for the people of Angola but also strengthens the cordial relations between our two countries as well as our region of the Southern African Development Community (SADC), as it ensures the continuity in our second phase of the struggle for economic emancipation and calls for greater acceleration of the integration process amongst the nations and peoples of Africa.

This integration process started under the auspices of the Organization of African Unity (OAU) in the aftermath of independence, and has since set in motion frameworks geared towards the establishment of the United States of Africa with a single Army, a single Currency and a single Passport.

Allow me therefore, on behalf of the Veterans of our National Liberation Struggle, the Sam Nujoma Foundation and indeed on my own behalf, to extend our best wishes for Your Excellency's continued good health and renewed strength as you lead the Republic of Angola to greater heights.
